

LUSH LIFE (Zara Larsson): **ALL**

Chorus:

I live my day as if it was the last
Live my day as if there was no past
Doin' it all night, all summer
Doin' it the way I wanna
Yeah, I'ma dance my heart out 'til the dawn
But I won't be done when mornin' comes
Doin' it all night, all summer
Gonna spend it like no other

Verse 1:

It was a crush
But I couldn't, couldn't get enough
It was a rush
But I gave it up
It was a crush
Now I might have went and said too much
But that's all it was
So I gave it up

(Chorus again)

(Verse 1 again)

Bridge:

Went low, went high
Still waters run dry
Gotta get back in the groove
I ain't ever worried
Went low, went high
What matters is now
Getting right back in the mood

(Chorus again)

Vamp:

Now I've found another crush
The lush life's given me a rush
Had one chance to make me blush
Second time is one too late
Now I've found another crush
The lush life's given me a rush
Had one chance to make me blush
Second time is one too late

Tag:

Ooh, ooh, ooh, ooh

(Chorus again)

(Vamp to end)

FOREVER YOUNG (Alphaville):

Verse 1:

Adriana Let's dance in style, let's dance for a while
Heaven can wait, we're only watching the skies
Hoping for the best but expecting the worst
Are you gonna drop the bomb or not?

Verse 2:

Ayo Let us die young or let us live forever
We don't have the power but we never say never
Sitting in a sandpit, life is a short trip
The music's for the sad men

Pre-Chorus 1:

Amina Can you imagine when this race is won
Turn our golden faces into the sun
Praising our leaders, we're getting in tune
The music's played by the, the mad men

Chorus:

Forever young, I want to be forever
young
Do you really want to live forever,
forever and ever?
Forever young, I want to be forever
young
Do you really want to live forever?
Forever young

Verse 3:

Zavian&Arayah Some are like water,
some are like the heat
Some are a melody and some are the
beat
Sooner or later, they all will be gone
Why don't they stay young?

Verse 4:

Syeda&Lucious It's so hard to get old
without a cause
I don't want to perish like a fading
horse
Youth's like diamonds in the sun
And diamonds are forever

Pre-Chorus 2:

Kayla So many adventures couldn't
happen today
So many songs we forgot to play
So many dreams swinging out of the
blue
We let them come true

Chorus:

Forever young, I want to be forever
young
Do you really want to live forever,
forever and ever?
Forever young, I want to be forever
young
Do you really want to live forever,
forever and ever?

Forever young, I want to be forever
young
Do you really want to live forever?

FIREFLIES (Owl City):**Verse 1:**

Ashtyn You would not believe your
eyes
If ten million fireflies
Lit up the world as I fell asleep
'Cause they fill the open air
And leave teardrops everywhere
You'd think me rude but I would just
stand and stare

Chorus:

I'd like to make myself believe that
planet Earth turns slowly
It's hard to say that I'd rather stay
awake when I'm asleep
'Cause everything is never as it seems

Verse 2:

Ayo 'Cause I'd get a thousand hugs
From ten thousand lightning bugs
As they tried to teach me how to dance
A foxtrot above my head
A sock hop beneath my bed
A disco ball is just hanging by a thread
(thread, thread)

Chorus:

I'd like to make myself believe that
planet Earth turns slowly
It's hard to say that I'd rather stay
awake when I'm asleep
'Cause everything is never as it seems
(when I fall asleep)

Bridge:

Aleena Leave my door open just a
crack
(Please take me away from here)
'Cause I feel like such an insomniac
(Please take me away from here)
Why do I tire of counting sheep?
(Please take me away from here)
When I'm far too tired to fall asleep

Verse 3:

Mariam To ten million fireflies
I'm weird 'cause I hate goodbyes
I got misty eyes as they said farewell
(they said farewell)
But I'll know where several are
If my dreams get real bizarre
'Cause I saved a few and I keep them
in a jar (jar, jar, jar)

Chorus:

I'd like to make myself believe that
planet Earth turns slowly
It's hard to say that I'd rather stay
awake when I'm asleep
'Cause everything is never as it seems
(when I fall asleep)

I'd like to make myself believe that
planet Earth turns slowly
It's hard to say that I'd rather stay
awake when I'm asleep
'Cause everything is never as it seems
(when I fall asleep)

Kayla I'd like to make myself believe
that planet Earth turns slowly
It's hard to say that I'd rather stay
awake when I'm asleep
Because my dreams are bursting at
the seams

BEST DAY OF MY LIFE
(American Authors): ALL**Verse 1:**

I had a dream so big and loud
I jumped so high I touched the clouds
I stretched my hands out to the sky
We danced with monsters through the
night

Pre-Chorus:

I'm never gonna look back
Whoa, I'm never gonna give it up
No, please don't wake me now

Chorus:

This is gonna be the best day of my life
My life
This is gonna be the best day of my life
My life

Verse 2:

I howled at the moon with friends
And then the sun came crashing in
But all the possibilities
No limits just epiphanies

Pre-Chorus:

I'm never gonna look back
Whoa, I'm never gonna give it up
No, just don't wake me now

Chorus:

This is gonna be the best day of my life
My life
This is gonna be the best day of my life
My life

Bridge:

I hear it calling outside my window
I feel it in my soul (soul)
The stars were burning so bright
The sun was out 'til midnight
I say we lose control (control)

Chorus:

This is gonna be the best day of my life
My life
This is gonna be the best day of my life
My life

FLY AWAY (The Fat Rat): ALL

Come and fly away with me
Come and fly away with me...
Come and fly away with me
Co-co-come and fly away with me...

Come and fly away with me
Come and fly away with me...
Come and fly away with me
Co-co-come and fly away with me...

Don't you be afraid
Everything will change
You and I
Jumping off the edge
They say dreamers never die

So, come and fly
Come and fly
Come and fly away with me

We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views

We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views

Shanaya Somewhere by the emerald
sea
Where the moon and water meet
Somewhere close to harmony
When the world is sound asleep

Florentin Something's gonna bring a
change
Journeys we are meant to take
Something at the edge of space
Calling us to fly away

Don't you be afraid
Everything will change
You and I
Jumping off the edge
They say dreamers never die

So, come and fly
Come and fly
Come and fly away with me

We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views

We're rising, we're falling
We'll make it through
We're climbing, we're soaring
A thousand views

Come and fly away
Come and
Come and fly away
Come and fly away with me

Come and fly away
Come and
Come and fly away
Come and fly away with me

Something's gonna bring a change
Journeys we are meant to take
Something at the edge of space
Calling us to fly away

A MILLION DREAMS (The Greatest Showman):

Amina I close my eyes and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

Lucious They can say, they can say it
all sounds crazy
They can say, they can say I've lost my
mind
I don't care, I don't care, so call me
crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world
we're gonna make

Florentin There's a house we can
build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all
sounds crazy
They can say, they can say we've lost
our minds
I don't care, I don't care if they call us
crazy
Runaway to a world that we design

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world
we're gonna make

Shanaya However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're
gonna make

For the world we're gonna make

SCHOOL SONG: ALL

Every moment makes a memory
Teachers teach us all that we need
From science to maths to English and
art
We have a head start...

To take the chance
Be kind, work hard
And shine

We work hard and give it all
We are unbreakable

Our school is great and blessed
Stick together, face the test

SHAKIRA MEDLEY (Shakira):

Try Everything: **ALL**

I messed up tonight, I lost another fight
Lost to myself, but I'll just start again
I keep falling down, I keep on hitting
the ground
I always get up now to see what's next

Birds don't just fly, they fall down and
get up
Nobody learns without gettin' it wrong

I won't give up, no, I won't give in
'Til I reach the end, and then I'll start
again
No, I won't leave, I wanna try
everything
I wanna try even though I could fail

(Oh, oh, oh, oh, oh)
Try everything
(Oh, oh, oh, oh, oh)
Try everything
(Oh, oh, oh, oh, oh)
Try everything
(Oh, oh, oh, oh, oh)

Whenever, Whenever:

Shanaya & Co. Lucky you were born
that far away so
We could both make fun of distance
Lucky that I love a foreign land for
The lucky fact of your existence

Lucky you were born that far away so
We could both make fun of distance
Lucky that I love a foreign land for
The lucky fact of your existence

Le ro le le lo le, le ro le le lo le
At your feet
I'm at your feet

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear

Thereover, hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear

Waka Waka: **ALL**

You're a good soldier, choosing your
battles
Pick yourself up and dust yourself off,
get back in the saddle
You're on the frontline, everyone's
watching
You know it's serious, we're getting
closer, this isn't over

The pressure's on, you feel it
But you got it all, believe it
When you fall get up, oh, oh
And if you fall get up, eh, eh
Tsamina mina zangalewa, 'cause this
is Dersingham

Tsamina mina, eh, eh
Waka waka, eh, eh
Tsamina mina zangalewa
This time for Dersingham

Tsamina mina, eh, eh
Waka waka, eh, eh
Tsamina mina zangalewa, anawa-a-a
Tsamina mina, eh, eh

Waka waka, eh, eh
Tsamina mina zangalewa
This time for Dersingham
