

I'm Still Standing

Elton John

Verse 1

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide
behind that mask you use

And did you think this fool could never win?
Well look at me, I'm a-coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing
you just fade away

Chorus

Don't you know I'm still standing better than I ever did
Looking like a true survivor,
feeling like a little kid

Don't you know I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing, yeah, yeah, yeah
I'm still standing. yeah, yeah, yeah

Verse 2

Once I never could've hoped to win
You're starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus
you'd be a clown by now

Chorus

You know I'm still standing better than I ever did
Looking like a true survivor,
Feeling like a little kid

Don't you know I'm still standing after all this time
Picking up the pieces of my life without you
on my mind

I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah

I'm still standing!

Better When I'm Dancing

Megan Trainor

Verse

Don't think about it
Just move your body
Listen to the music
Sing, oh, ey, oh

Just move those left feet
Go ahead, get crazy
Anyone can do it
Sing, oh, ey, oh

Pre Chorus

Show the world you've got that fire
Feel the rhythm getting louder
Show the world what you can do
Prove to them you got the moves
I don't know about you

Chorus

But I feel better when I'm dancing, yeah, yeah
Better when I'm dancing, yeah, yeah
And we can do this together
I bet you feel better when you're dancing, yeah, yeah

Flowers

Miley Cyrus

Verse 1

We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn

Pre Chorus

I didn't wanna leave you, I didn't wanna lie
Started to cry, but then remembered I

Chorus

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I can love me better

Verse 2

Paint my nails cherry-red
Match the roses that you left
No remorse, no regrets, I forgive every word you said

Pre-Chorus

I didn't wanna leave you, I didn't wanna lie
Started to cry, but then remembered I

Chorus

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I can love me better

Outro

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand

Shake It Off

Taylor Swift

Verse 1

I stay out too late
Got nothing in my brain
That's what people say, mmm-mmm
That's what people say, mmm-mmm

I go outside every day
I play songs along the way
At least that's what people say, mmm-mmm
That's what people say, mmm-mmm

Pre Chorus 1

But I keep cruising
Can't stop, won't stop moving
It's like I got this music
In my mind saying it's gonna be alright

Chorus

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

Heart-breakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

Verse 2

I never miss a beat
I'm lightning on my feet
And that's what they don't see, mmm-mmm
That's what they don't see, mmm-mmm

I'm dancing on my own (dancing on my own)
I make the moves up as I go (moves up as I go)
And that's what they don't know, mmm-mmm
That's what they don't know, mmm-mmm

Pre Chorus 2

But I keep cruising
Can't stop, won't stop grooving
It's like I got this music
In my mind saying it's gonna be alright

Outro

Uhuh, shake it off, shake it off x3
Shake it off, shake it off

Unsaid Emily

Julie and the Phantoms

Verse 1

First things first
We start the scene in reverse
All of the lines rehearsed
Disappeared from my mind

When things got loud
One of us running out
I should've turned around
But I had too much pride

Pre Chorus 1

No time for goodbyes
Didn't get to apologize
Pieces of a clock that lies broken

Chorus

If I could take us back, if I could just do that
And write in every empty space
the words "I love you" in replace
Then maybe time would not erase me

If you could only know I never let you go
And the words I most regret
Are the ones I never meant to leave, Unsaid Emily

Verse 2

Silent days, mysteries and mistakes
Who'd be the first to break?
I guess we're alike that way

Pre Chorus 2

He said, she said conversations in my head
And that's just where they're gonna stay forever

Chorus

If I could take us back, if I could just do that
And write in every empty space
the words "I love you" in replace
Then maybe time would not erase me

If you could only know I never let you go
And the words I most regret
Are the ones I never meant to leave, Unsaid Emily

They Don't Care About Us

All I wanna say is that they don't really care about us x4

MJ Medley
Michael Jackson

Tell me what has become of my rights
Am I invisible 'cause you ignore me?
Your proclamation promised me free liberty

Now I'm tired of bein' the victim of shame
They're throwin' me in a class with a bad name
I can't believe this is the land from which I came

Billie Jean

She was more like a beauty queen from a movie scene
I said don't mind but what do you mean I am the one
Who will dance on the floor in the round?

She said I am the one
Who will dance on the floor in the round

She told me her name was Billie Jean as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

People always told me, be careful of what you do
Don't go around breaking young girls' hearts

And mother always told me, be careful of who you love,
And be careful of what you do, 'cause the lie becomes the truth

Thriller

It's close to midnight and something evil's lurking in the dark
Under the moonlight, you see a sight that almost stops your heart

You try to scream, but terror takes the sound before you make it
You start to freeze, as horror looks you right between the eyes
You're paralyzed

'Cause this is thriller, thriller night
And no one's gonna save you from the beast about to strike
You know it's thriller, thriller night
You're fighting for your life inside a killer, thriller tonight, yeah

Man In the Mirror

I'm gonna make a change for once in my life
It's gonna feel real good gonna make a difference
Gonna make it right

A summer's disregard, a broken bottle top, and a one man's soul
They follow each other on the wind ya know
'Cause they got nowhere to go That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could've been any clearer
If they wanna make the world a better place
take a look at yourself and then make a change
