

Get Out My Swamp

Chorus

Duloc won't know what just hit them
I'm tired and this nuisance is enough

It's time to go and get some answers
So I can enjoy sleeping in my swamp

Get out my swamp
Get out my swamp
I want you outa my dump

Verse 1

Misunderstood for so many years
Everyone thinks I am super mean and green

They all say I don't like to share
But, they don't know the real me

Misunderstood for so many years
Inside of me is something unseen

Underneath this exterior
I'm am brave, I'm am kind
and I just want peace
So,

Chorus

Duloc won't know what just hit them
I'm tired and this nuisance is enough

It's time to go and get some answers
So I can enjoy sleeping in my swamp

Get out my swamp
Get out my swamp
I want you outa my dump

Dark Forest

Chorus

Mysterious, so serious
Dangerous, so Curious
I'm furious, so hazardous

Please tell me why it's happening

In the dark forest
Creatures surrounding us
And it's even worse with donkey on my tail

Verse 1

On my face is a frown, got me feeling down
But I'll never back down from a challenge

Going on a quest, from a re-quest
Gotta save a princess who's in distress

From a dragon, in a castle
Gotta hustle, use my muscle

Use my brain
This is insane
Gotta get past the wolf at the gate
Inside of me is something unseen

Chorus

Verse 2

This forest is dark, this forest is creepy
A shade of black hovers over me

I smell dead things, foul and nasty
Other kinda beasts might think its tasty

Taste my own fear, oh my dear
I need to be brave for the princess enslaved

With my sword by my side
I'm gonna get this dragon
Gonna knock it out
Without any doubt

Chorus

Dark Forest

Chorus

The fight has just begun
Ready to be won
There's no harmony

Until the war is done
Until the war is done

Who'll taste victory
Who will bite the dust
Who will win the battle

Who will keep the princess
We know Shrek is fearless

Fight! Fight! Fight Fight!
Fight! Fight! Fight Fight!
Fight! Fight! Fight Fight!
Fight! Fight! Fight Fight!
X2

Chorus 2

Who'll taste victory
Who will bite the dust
Who will win the battle

He will keep the princess
We know Shrek is fearless

My Love

Verse 1

Shrek: You are so cute

Fiona: You are so smart

Together: I love that we won't be apart

Shrek: You are so brave

Fiona: You are so strong

Together: nothing can go wrong

We are beauty and brains

Feared and loved all the same

I'll be yours you'll be mine

Anytime time of the day

Chorus

Our love is untouchable

Our bound unbeatable

Though people see us green

Our love will make us free

Take my hand and I'll take yours

Let's live together... my love

Let's live together... my love
